GROWTH THROUGH KNOWLEDGE

Monday 9th November 2020 Term 4 Weeks 5 and 6:

Wow! I cannot believe that we have reached week 5 of this term already! Where are the days going?

Covid-19 Updated Guidelines:

Some of the guidelines have been relaxed in the past week and the key aspects of the guidelines that are currently in place are:

- Anyone with symptoms of Covid-19 should not be at school-this includes fever, cough, sore throat, shortness of breath, loss of taste and loss of smell. Students with these symptoms should be tested and should not return to school until a negative result has been sighted by the school.
- Principal Endorsed end of year community activities at an outdoor setting limited to 30 people including parents, students and staff.
- P and C Meetings are able to held onsite after school hours.

Naplan Online Professional Learning:

Our school is participating in the Naplan online low bandwidth trial and some of our students will be completing a platform reading test this week. This will give the students an insight to what Naplan online will look like, ready for 2021.

Power Outage:

Essential Energy have notified that power outages will occur on Tuesday 10/11/20. School will continue to operate as per normal.

Remembrance Day 2020:

The students and staff will walking to the park on Wednesday 11/11/20 at 10.45am to commemorate Remembrance Day. Parents and community members are invited to join us for this service. Numbers are limited due to Covid-19 guidelines.
