- Wednesday 7th February - School Development Day
- Thursday 8th February - Students commence

Term 4 Weeks 7 and 8 2023

A WORD FROM MRS SIMES:

Where is this term going! We are travelling quickly towards the end of the year!

Playground Edging:

Our playground edging has been installed by Scott and it looks amazing! It will do a wonderful job at keeping the sand under the playground. The students are very excited to have a new sandpit which they can dig in. Thank you Scott for a great job!

P & C Meeting:

Thank you to the parents and community members who attended the P & C Meeting last week.

Presentation Assembly:

Our Presentation Assembly will be held in the classroom on Monday 11th December 2023 commencing at 10am. Following the assembly, we will have morning tea - please bring a plate of delicious food to share. Everyone is invited to come and celebrate the amazing achievements of our students.

Semester 2 Reports:

The staff have been working hard on completing the Semester 2 student reports. This semester, we will be completing the reports using the Sentral program. You will notice some differences in format, but the information conveyed is the same.

Professional Learning:

Mr Simes and I have been participating in professional learning on the 3 - 6 English and Maths Syllabus which will be implemented in 2024.

Numeracy Stage Meetings:

Our Numeracy Meetings for Stage 2 and Stage 3 students with Mrs Robb have finished for this year. I know that the students have thoroughly enjoyed their learning with Mrs Robb.

Small Schools Pool Day:

On Wednesday 13th December 2023 we will be travelling to Bourke Pool to have some pool fun with our friends from surrounding small schools. We will require parent assistance with transport. We are still waiting on the details of this activity to be finalised, once we know a permission note will be sent home.

Next Week:

Next Tuesday, Wednesday and Thursday, I will be on leave and Mrs Arnold will be teaching on those days.

Have a wonderful fortnight!

Leanne Simes

We
harvested
our
celery.

We ate it
with
peanut
butter
and
sultanas.

Ants on
logs!
